- 1.2 A reference in these Terms to a provision of a statute shall be construed as a reference to that provision as amended, re-enacted or extended at the relevant time.
- 1.3 The headings in these Terms are for convenience only and shall not affect their interpretation.

2. BASIS OF THE SALE

- 2.1 The Seller shall sell and the Buyer shall purchase the Products in accordance with the Seller's Written quotation (if accepted by the Buyer), or the Buyer's Written order (if accepted by the Seller), subject in either case to these Terms, which shall govern the Contract to the exclusion of any other terms subject to which any such quotation is accepted or purported to be accepted, or any such order is made or purported to be made, by the Buyer.
- 2.2 No variation to these Terms shall be binding unless agreed in Writing between the authorised representatives of the Buyer and the Seller.
- 2.3 The Seller's employees or agents are not authorised to make any representations concerning the Products unless confirmed by the Seller in Writing. In entering into the Contract the Buyer acknowledges that it does not rely on any such representations which are not so confirmed, but nothing in these Terms affects the liability of either party for fraudulent misrepresentation.
- 2.4 Any advice or recommendation given by the Seller or its employees or agents to the Buyer or its employees or agents as to the storage, application or use of the Products which is not confirmed in Writing by the Seller is followed or acted on entirely at the Buyer's own risk, and accordingly the Seller shall not be liable for any such advice or recommendation which is not so confirmed.
- 2.5 Any typographical, clerical or other error or omission in any sales literature, quotation, price list, acceptance of offer, invoice or other document or information issued by the Seller shall be subject to correction without any liability on the part of the Seller.

3. ORDERS AND SPECIFICATIONS

- 3.1 No order submitted by the Buyer shall be deemed to be accepted by the Seller unless and until confirmed in Writing by the Seller's authorised representative.
- 3.2 The Buyer shall be responsible to the Seller for ensuring the accuracy of the terms of any order (including any applicable specification) submitted by the Buyer, and for giving the Seller any necessary information relating to the Products within a sufficient time to enable the Seller to perform the Contract in accordance with its terms.
- 3.3 The quantity, quality and description of the Products and any specification for them shall be as set out in the Seller's quotation (if accepted by the Buyer) or the Buyer's order (if accepted by the Seller).
- 3.4 The Seller reserves the right to make any changes in the specification of the Products which are required to conform with any applicable statutory or E.U. requirements or, where the Products are to be supplied to the Seller's specification, which do not materially affect their quality or performance.

- 3.5 No order which has been accepted by the Seller may be cancelled by the Buyer except with the agreement in Writing of the Seller and on terms that the Buyer shall indemnify the Seller in full against all loss (including loss of profit), costs (including the cost of all labour and materials used), damages, charges and expenses incurred by the Seller as a result of cancellation.

4. PRICE OF THE PRODUCTS

- 4.1 The price of the Products shall be the Seller's quoted price or, where no price has been quoted (or a quoted price is no longer valid), the price listed in the Seller's published price list current at the date of acceptance of the order. Where the Products are supplied for export from the United Kingdom, the Seller's published export price list shall apply. All prices quoted are valid for 30 days only or until earlier acceptance by the Buyer, after which time they may be altered by the Seller without giving notice to the Buyer.
- 4.2 The Seller reserves the right, by giving Written notice to the Buyer at any time before delivery, to increase the price of the Products to reflect any increase in the cost to the Seller which is due to any factor beyond the control of the Seller (such as, without limitation, any foreign exchange fluctuation, currency regulation, alteration of duties, significant increase in the costs of labour, materials or other costs of manufacture), any change in delivery dates, quantities or specifications for the Products which is requested by the Buyer, or any delay caused by any instructions of the Buyer or failure of the Buyer to give the Seller adequate information or instructions.
- 4.3 Except as otherwise stated in the Seller's Written quotation or in any price list of the Seller, and unless otherwise agreed in Writing between the Buyer and the Seller, all prices are given by the Seller on an ex works basis, and where the Seller agrees to deliver the Products otherwise than at the Seller's premises, the Buyer shall be liable to pay the Seller's charges for transport, packaging and insurance.
- 4.4 Carriage and/or special delivery charges to mainland UK may be levied on the following basis:
- 4.4.1 orders with a value of less than £250.00 net:
By standard delivery methods £7.50
- 4.4.2 all orders requiring special arrangements:-
Next working day by noon £13.50 per consignment
Saturday am delivery £30.00
- 4.5 The price is exclusive of any applicable value added tax, which the Buyer shall be additionally liable to pay to the Seller.
- 4.6 If the Seller agrees to lend display stands and other merchandising aids to the Buyer then the buyer acknowledges that such items remain at all times the property of the Seller and may only be used by the Buyer for the display of the Seller's Products. The Buyer shall on the written request of the Seller and at the Buyer's cost immediately return such items to the Seller to an address notified by the Seller to the Buyer. If such items are returned damaged then the cost of such items will be charged to the Buyer in addition to the price of the Products.
- 4.7 A minimum order value rate of £25.00 applies.

5. TERMS OF PAYMENT

- 5.1 Subject to any special terms agreed in Writing between the Buyer and the Seller, the Seller may invoice the Buyer for the price of the Products on or at any time after delivery of the Products, unless the Products are to be collected by the Buyer or the Buyer wrongfully fails to take delivery of the Products, in which event the Seller shall be entitled to invoice the Buyer for the price at any time after the Seller has notified the Buyer that the Products are ready for collection or (as the case may be) the Seller has tendered delivery of the Products.
- 5.2 The Buyer shall pay the price of the Products (less any discount to which the Buyer is entitled, but without any other deduction) within 30 days of the date of the Seller's invoice, and the Seller shall be entitled to recover the price, notwithstanding that delivery may not have taken place and the property in the Products has not passed to the Buyer. The time of payment of the price shall be of the essence of the Contract. Receipts for payment will be issued only on request.
- 5.3 If the Buyer fails to make any payment on the due date then, without limiting any other right or remedy available to the Seller, the Seller may:
- 5.3.1 cancel the contract or suspend any further deliveries to the Buyer;
- 5.3.2 appropriate any payment made by the Buyer to such of the Products (or the Products supplied under any other contract between the Buyer and the Seller) as the Seller may think fit (notwithstanding any purported appropriation by the Buyer); and

- 5.3.3 charge the Buyer interest (both before and after any judgment) on the amount unpaid, at the rate of four per cent per annum above Barclays Bank Plc base rate from time to time, until payment in full is made (a part of a month being treated as a full month for the purpose of calculating interest).
- 5.3.4 Terms are net monthly account (i.e. end of the month following the month of delivery).

6. DELIVERY

- 6.1 Delivery of the Products shall be made by the Buyer collecting the Products at the Seller's premises at any time after the Seller has notified the Buyer that the Products are ready for collection or, if some other place for delivery is agreed by the Seller, by the Seller delivering the Products to that place.
- 6.2 Any dates quoted for delivery of the Products and general lead times provided by the Seller are approximate only and the Seller shall not be liable for any delay in delivery of the Products however caused. General lead times are not guaranteed and are provided in Attachment I hereto for information purposes only. Time for delivery shall not be of the essence of the Contract unless previously agreed by the Seller in Writing. The Products may be delivered by the Seller in advance of the quoted delivery date on giving reasonable notice to the Buyer.
- 6.3 Where the Products are to be delivered in instalments, each delivery shall constitute a separate contract and failure by the Seller to deliver any one or more of the instalments in accordance with these Terms or any claim by the Buyer in respect of any one or more instalments shall not entitle the Buyer to treat the Contract as a whole as repudiated.
- 6.4 If the Seller fails to deliver the Products (or any instalment) for any reason other than any cause beyond the Seller's reasonable control or the Buyer's fault, and the Seller is accordingly liable to the Buyer, the Seller's liability shall be limited at its discretion to either replacing the Products within a reasonable time or issuing a credit note at the pro rata contract rate against any invoice raised for such Products.
- 6.5 If the Buyer fails to take delivery of the Products or fails to give the Seller adequate delivery instructions at the time stated for delivery (otherwise than by reason of any cause beyond the Buyer's reasonable control or by reason of the Seller's fault) then, without limiting any other right or remedy available to the Seller, the Seller may:
- 6.5.1 store the Products until actual delivery and charge the Buyer for the reasonable costs (including insurance) of storage; or
- 6.5.2 sell the Products at the best price readily obtainable and (after deducting all reasonable storage and selling expenses) account to the Buyer for the excess over the price under the Contract or charge the Buyer for any shortfall below the price under the Contract.

7. RISK AND PROPERTY

- 7.1 Risk of damage to or loss of the Products shall pass to the Buyer:
- 7.1.1 in the case of Products to be delivered at the Seller's premises, at the time when the Seller notifies the Buyer that the Products are available for collection; or
- 7.1.2 in the case of Products to be delivered otherwise than at the Seller's premises, at the time of delivery or, if the Buyer wrongfully fails to take delivery of the Products, the time when the Seller has tendered delivery of the Products.
- 7.2 Notwithstanding delivery and the passing of risk in the Products, or any other provision of these Terms, the property in the Products shall not pass to the Buyer until the Seller has received in cash or cleared funds payment in full of the price of the Products and all other Products agreed to be sold by the Seller to the Buyer for which payment is then due.
- 7.3 Until such time as the property in the Products passes to the Buyer, the Buyer shall hold the Products as the Seller's fiduciary agent and bailee, and shall keep the Products separate from those of the Buyer and third parties and properly stored, protected and insured and identified as the Seller's property, but the Buyer may resell or use the Products in the ordinary course of its business.
- 7.4 Until such time as the property in the Products passes to the Buyer (and provided the Products are still in existence and have not been resold), the Seller may at any time require the Buyer to deliver up the Products to the Seller and, if the Buyer fails to do so forthwith, enter on any premises of the Buyer or any third party where the Products are stored and repossess the Products.
- 7.5 The Buyer shall not be entitled to pledge, create a lien over or in any way charge by way of security for

- any indebtedness any of the Products which remain the property of the Seller, but if the Buyer does so all moneys owing by the Buyer to the Seller shall (without limiting any other right or remedy of the Seller) forthwith become due and payable.
- 7.6 The Seller will be entitled to recover payment for the Products notwithstanding that title in any of the Products has passed from the Seller to the Buyer.
- 7.7 The Buyer grants to the Seller and its agents and employees an irrevocable licence at any time to enter any premises where the Products are or may be stored in order to inspect them or, where the Buyer's right to possession has terminated, to recover them.
- 8. WARRANTIES AND LIABILITY**
- 8.1 Subject to the following provisions, the Seller warrants that the Products will correspond with their specification at the time of delivery and will be free from defects in material and workmanship for a period of:
- 8.1.1 in the case of Light Bars/Beacons 12 months from the date of their initial use or 12 months from delivery, whichever is the first to expire.
- 8.1.2 in the case of LED products 5 years for electronics 2 years for HALO products and 12 months on other parts from the date of their initial use or from the date of delivery, whichever is the first to expire
- 8.1.3 in the case of all bulbs, tubes and lenses 30 days from the date of their initial use or 30 days from delivery, whichever is the first to expire
- 8.1.4 in the case of rotators 2000 hours (at a 50% maximum duty cycle) from the date of their initial use or 2000 hours (at a 50% maximum duty cycle) from delivery, whichever is the first to expire.
- 8.2 The above warranty is given by the Seller subject to the following conditions:
- 8.2.1 the Seller shall be under no liability in respect of any defect arising from fair wear and tear, wilful damage, negligence, abnormal working conditions, failure to follow the Seller's instructions (whether oral or in Writing), misuse or alteration or modification or repair of the Products without the Seller's approval;
- 8.2.2 the Seller shall be under no liability under the above warranty (or any other warranty, condition or guarantee) if the total price for the Products has not been paid by the due date for payment;
- 8.2.3 the above warranty does not extend to parts, materials or equipment not manufactured by the Seller, in respect of which the Buyer shall only be entitled to the benefit of any such warranty or guarantee as is given by the manufacturer to the Seller.
- 8.3 Subject as expressly provided in these Terms, and except where the Products are sold to a person dealing as a consumer (within the meaning of the Unfair Contract Terms Act 1977), all warranties, conditions or other terms implied by statute or common law are excluded to the fullest extent permitted by law.
- 8.4 Where the Products are sold under a consumer transaction (as defined by the Consumer Transactions (Restrictions on Statements) Order 1976) the statutory rights of the Buyer are not affected by these Terms.
- 8.5 A claim by the Buyer which is based on any defect in the quality or condition of the Products or their failure to correspond with specification shall (whether or not delivery is refused by the Buyer) be notified to the Seller within [three] days from the date of delivery or (where the defect or failure was not apparent on reasonable inspection) within a [reasonable time] after discovery of the defect or failure. If delivery is not refused, and the Buyer does not notify the Seller accordingly, the Buyer shall not be entitled to reject the Products and the Seller shall have no liability for such defect or failure, and the Buyer shall be bound to pay the price as if the Products had been delivered in accordance with the Contract.
- 8.6 Any Products considered by the Buyer to be faulty shall be returned to the Seller's Service Department using the Warranty>Returns Procedure documented on page 3 of the price list, carriage paid, with details of purchase and the reason for their return. Where a claim in respect of any of the Products which is based on a defect in the quality or condition of the Products or their failure to meet specification is notified to the Seller in accordance with these Terms and is validated by the Seller, the Seller may replace the Products (or the part in question) free of charge or, at the Seller's sole discretion, refund to the Buyer the price of the Products (or a proportionate part of the price), in which case the Seller shall have no further liability to the Buyer. The Seller reserves the right to make a handling charge if the Products are found not to be defective or are found to meet specification.
- 8.7 Except in respect of death or personal injury caused by the Seller's negligence, or liability for defective products under the Consumer Protection Act 1987, the Seller shall not be liable to the Buyer by reason of any representation (unless fraudulent), or any implied warranty, condition or other term, or any duty at common law, or under the express terms of the Contract, for loss of profit or for any indirect, special or consequential loss or damage, costs, expenses or other claims for compensation whatsoever (whether caused by the negligence of the Seller, its employees or agents or otherwise) which arise out of or in connection with the supply of the Products (including any delay in supplying or any failure to supply the Products in accordance with the Contract or at all) or their use or resale by the Buyer, and the entire liability of the Seller under or in connection with the Contract shall not exceed the price of the Products, except as expressly provided in these Terms.
- 8.8 The Seller shall not be liable to the Buyer or be deemed to be in breach of the Contract by reason of any delay in performing, or any failure to perform, any of the Seller's obligations in relation to the Products, if the delay or failure was due to any cause beyond the Seller's reasonable control. Without limiting the foregoing, the following shall be regarded as causes beyond the Seller's reasonable control:
- 8.8.1 Act of God, explosion, flood, tempest, fire or accident;
- 8.8.2 war or threat of war, sabotage, insurrection, civil disturbance or requisition;
- 8.8.3 acts, restrictions, regulations, bye-laws, prohibitions or measures of any kind on the part of any governmental, parliamentary or local authority;
- 8.8.4 import or export regulations or embargoes;

- 8.8.6 difficulties in obtaining raw materials, labour, fuel, parts or machinery;
- 8.8.7 power failure or breakdown in machinery.

- 9.1.2 an encumbrancer takes possession, or a receiver is appointed, of any of the property or assets of the Buyer; or
- 9.1.3 the Buyer ceases, or threatens to cease, to carry on business; or
- 9.1.4 the Seller reasonably apprehends that any of the events mentioned above is about to occur in relation to the Buyer and notifies the Buyer accordingly.
- 9.2 If clause 9.1 applies then, without limiting any other right or remedy available to the Seller, the Seller may cancel the Contract or suspend any further deliveries under the Contract without any liability to the Buyer, and if the Products have been delivered but not paid for the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.
- 10. EXPORT TERMS**
- 10.1 Unless the context otherwise requires, any term or expression which is defined in or given a particular meaning by the provisions of INCOTERMS shall have the same meaning in these Terms, but if there is any conflict between the provisions of INCOTERMS and these Terms, the latter shall prevail.
- 10.2 Where the Products are supplied for export from the United Kingdom, the provisions of this clause 11 shall (subject to any special terms agreed in Writing between the Buyer and the Seller) apply notwithstanding any other provision of these Terms.
- 10.3 The Buyer shall be responsible for complying with any legislation or regulations governing the importation of the Products into the country of destination and for the payment of any duties on them.

- 10.6 Unless otherwise required by the Seller, payment of all amounts due to the Seller shall be made by an irrevocable letter of credit, in a form acceptable to the Seller, to be opened by the Buyer in favour of the Seller and confirmed by a bank in the United Kingdom acceptable to the Seller within 14 days after the Contract is concluded.
- 10.7 The Buyer shall not offer the Products for resale in any country notified by the Seller to the Buyer at or before the time the Buyer's order is placed, or sell the Products to any person if the Buyer knows or has reason to believe that that person intends to resell the Products in any such country.
- 11. GENERAL**
- 11.1 The Seller may perform any of its obligations or exercise any of its rights under the Contract by itself or through any other member of its group, provided that any act or omission of any such other member shall be deemed to be the act or omission of the Seller.
- 11.2 A notice required or permitted to be given by either party to the other under these Terms shall be in Writing addressed to that other party at its registered office or principal place of business or such other address as may at the relevant time have been notified pursuant to this provision to the party giving the notice.
- 11.3 No waiver by the Seller of any breach of the Contract by the Buyer shall be considered as a waiver of any subsequent breach of the same or any other provision.
